Welcome to JRS

With just over a decade behind us, our growing list of clients reflects the trust, confidence and comfort they place on us. Our proven methods revolve around Simple Solutions, Innovative Ideas; Knowledge backed Processes that deliver to our client's complete solution to their business needs. They look to us for honest, objective, thoughtful and experienced advice.

Our client centric approach ensures they have sustainable competitive edge, build more capable organization and secure lasting results.

About Us

The firm was established in May 1998 as a partnership firm with Mr. A. Jayakumar, F.C.A. and Mr. Rajesh Ramachandran, F.C.A. as its founder partners.

The firm presently has 10 Partners, who are all experienced in the respective areas of specialization. The firm is actively functioning in Bangalore, Kochi, Kollam, Trivandrum and Chennai.

We also have good networking associations with renowned professionals in related fields operating both within and outside India. Our commitment to our clientele remains strong and we have built up a team of young professionals, each specializing in each field of service that we offer.
