## *Chairman's Message*

Dear Esteemed Students of SICASA,

Warm greetings to all of you!

As we celebrate the completion of 75 glorious years of the Institute of Chartered Accountants of India (ICAI), we reflect on our journey as true partners in nation-building. This milestone fills our hearts with immense pride and enthusiasm. ICAI's journey is a testament to the dedication and valuable role that Chartered Accountants play in shaping the financial landscape of our nation. To mark this significant occasion, the Managing Committee Members of the Bengaluru Branch (SIRC) hoisted the ICAI flag, organized a Blood Donation Camp, and planted saplings, embodying our commitment to community service and environmental sustainability.

I am thrilled to share the grand success of our first-ever ICAI Mega Startup Sphere 2024, hosted by the Bengaluru Branch (SIRC). This event, organized by the Committee on MSME & Start-up and the Development of International Trade, Services & WTO Directorate of ICAI, was a vibrant platform that showcased the latest techniques and innovations in the startup ecosystem. It covered a wide range of topics including government ecosystems, funding sources, valuation, and digital marketing. The event was held from 27th to 29th June 2024 at Karnataka Trade Promotion Organization (KTPO), Bengaluru.

## *Chairman's Message*

The Mega Startup Sphere was graced by a galaxy of speakers, including founders of unicorns and expert thought leaders who shared their strategic insights on the evolving startup environment. The event featured a lively exhibition, a Startup Tank, and a placement drive for newly qualified Chartered Accountants. I extend my heartfelt thanks to all the delegates, startups, exhibitors, and participants who contributed to making this event a monumental success.

I am delighted to congratulate all the students who have successfully passed their exams. Your hard work and perseverance have paid off, and you have reached an important milestone in your journey to becoming Chartered Accountants. Celebrate this achievement, and continue to strive for excellence as you advance in your careers.

For those who were not successful this time, I want to extend my heartfelt encouragement. Remember, setbacks are a part of every journey. Each challenge you face is an opportunity to learn and grow stronger. Keep your spirits high, stay focused, and do not lose sight of your goals. Success will come to those who persist and remain dedicated.

With warm regards,

Pramod Hegde  
Chairman, Bengaluru Branch (SIRC)

## Chairman's Message

My dear young minds

As we reflect on the events of June 2024, I am filled with pride and admiration for the incredible energy, dedication, and passion you have all demonstrated. This month has been packed with activities that have not only showcased your talents but also contributed significantly to your personal and professional growth.

The month began with the CA Students National Talent Search 2024, featuring the Elocution and Quiz Competitions on June 1st. The enthusiasm was palpable as 26 students took part in the Elocution Competition and 18 in the Quiz Competition, setting the tone for an inspiring month ahead.

On June 14th, we hosted a highly informative seminar on Income Tax Returns: Nuances and Precautions, led by esteemed speakers CA Raghavendra Patre and CA Sumana M Rao. With 110 participants, the session provided invaluable insights that will undoubtedly aid you in your future careers.

Following this, on June 16th, another 110 students participated in the Workshop on Marketing and Promotion, where you all engaged in discussions that are critical for today's dynamic business environment. It's heartening to see you taking proactive steps to broaden your skill set.

## Chairman's Message

Our celebration of International Yoga Day on June 21st was another highlight, with 85 students coming together to embrace the benefits of yoga. This event was a reminder of the importance of maintaining balance in both our personal and professional lives.

June 22nd saw 53 of you visiting the Green Leaf Threshing Plant and Food Processing Unit. Such industrial visits are crucial in bridging the gap between theoretical knowledge and real-world application, and I'm sure this experience was both educational and inspiring.

The Grand Finale of the NTS 2024: Pitch Deck and Essay Competitions on June 27th was a culmination of months of hard work. With 12 students from across India competing in the Pitch Deck Competition and 10 in the Essay Competition, the level of excellence displayed was truly commendable.

On June 30th, the CA Run – for Viksit Bharat witnessed an overwhelming response, with around 350 members and students participating. This run from Cubbon Park to the Vasanthnagar Bengaluru branch was more than just a physical activity; it was a testament to our collective commitment to the nation's progress.

**Starting from scratch is scary,  
So is staying where you don't want to be  
Speaking of unhealed spots is uncomfortable  
So is protecting you delusional bubble  
Fighting your battles everyday is tiring  
So is being tied to with only a string  
Not chasing yesterday is imperative  
So is making peace with every narrative  
Wanting to let go is necessary  
So is having a heart that's no more heavy**

WHAT IF YOU LOST  
YOUR  
SPECS 😭

Love is blind , it's so true  
Without my pair i can't recognise  
black and blue  
Bumping into walls , tripping on  
my feet,  
Without my specs , life's not so  
neat!!!

My friend asks if she is looking  
cool!  
And i am trying to scan up n down  
her like fool....

Oh my dear specs , without you I  
am a mess  
I search high and low , where did  
you goo??

Trying to find your every nook and  
corner  
Where they are hidden ' I don't  
know?

Cheers to my fear , but there's no  
one near to find my dear , without  
you my love the world is unclear ,  
soo , I am standing here trying to  
hear , my specs screaming that I  
am here!!!!!!!!!!!!!!

Soo if you find me walking like a  
zombie with my hands  
outstretched  
Please try to reach and help me  
and find my specs

So finally I can meet my love and  
tell I missed you!!!!!!!!!!

The forest's vibrant hues create a stunning contrast with the rugged, uneven terrain, while the air is rich with the earthy aroma of pine and damp soil. The play of light and shadow through the foliage adds a dynamic, ever-changing quality to the landscape. It's a serene and invigorating sight, a testament to nature's enduring splendor.**
